YOU'RE A SUPER SCHOLAR!

Get to know yourself better by imagining yourself as a super scholar! Answer the questions below in the space provided.

SUPERHERO FACTS

1. Write down the names of some famous superheroes (for example, Superman). Then, circle your favorite superhero.

2. What makes someone a superhero?

3. What special abilities do superheroes have? How do they use their special abilities? _____

4. Name a weakness that some superheroes have. (For example, Superman's weakness is Kryptonite.)

Not all superheroes wear capes. Did you know that you can be a superhero in your classroom? Let's explore how!

1. List at least two strengths you have as a student. (For example, amazing artist, math whiz, etc.)

2. How can you use your strengths while you are in school?

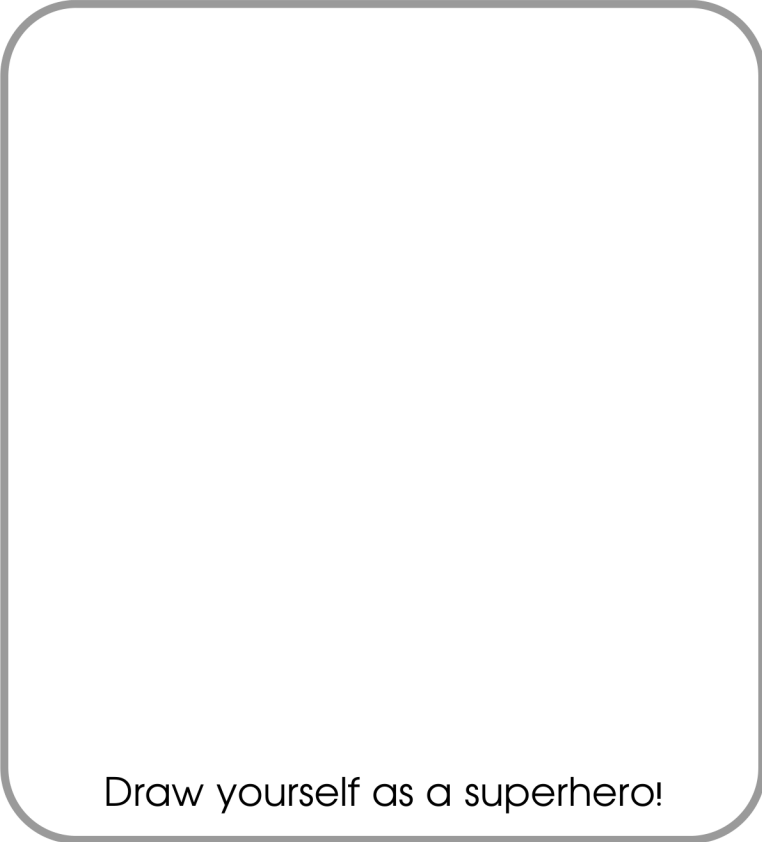

3. What are your weaknesses as a student? (Don't worry, every superhero has one!)

4. How can you turn your weakness into a strength at school?

5. Write down one goal you have for yourself as a student.
